How Far Are You Going?

This is a question that we all think we would have a snappy answer for, you do, don't you? But when you are younger, not so cocksure and not expecting it, the result can be many years of regret at a missed opportunity. But what if that opportunity comes your way again?

The answer to that is hot, heavy and ultimately very satisfying sex.

Just Do It.

A long boring drive, a need to take a break and get comfortable before continuing down the long road; leads you to a truck stop in the middle of nowhere.

The big hunky mechanic on the forecourt has the broadest shoulders and a great shaped head with buzz cut you would love to brush your fingers through. When he comes into the washroom after you the thought crosses your mind there might be other needs you could satisfy. When he starts to give you a show, you know you are going to get a good time.

Just Do It is about taking the opportunity when it comes your way. Don't have any regrets at a missed opportunity; get it all now and get all of him, while you can....
