River Runners' Guide To Utah and Adjacent Areas (Revised and Updated)

Gary C. Nichols

River Runners' Guide To Utah and Adjacent Areas (Revised and Updated) Gary C. Nichols

A fully revised and updated edition of Gary Nichols' widely used guide to river running in Utah. Major changes have occurred on Big and Little Cottonwood Creeks, which have many new drops with dangerous hydraulics. This edition accounts for these and other alterations in the state's waterways over the past fifteen years. Also, several of the original river access points are now on private land. Alternative access points are presented and users are alerted to the necessity of requesting permission. All this and much more will once again make *A River Runners' Guide to Utah and Adjacent Areas* the one source for vital and reliable information on more than ninety river trips for beginner and expert alike. It includes:

- Over 90 river trips with descriptions and maps
- Location of access and take-out points
- Instructions for all skill levels
- Ratings of all waterways by levels of difficulty
- Identification of danger areas and obstacles
