# The Atheist Who Didn't Exist: Or the Dreadful Consequences of Bad Arguments

Andy Bannister

**The Atheist Who Didn't Exist: Or the Dreadful Consequences of Bad Arguments** Andy Bannister  
**An entertaining and enlightening poke at atheism by a popular speaker**

Addressing some of the more popular atheist sound bites about the Christian faith, *The Atheist Who Didn't Exist* clears the space for a deeper and more honest discussion about the big questions of life.

Our culture now assumes that atheism is the default position indeed, the only position for anyone who wishes to be seen as educated, contemporary, and urbane. In the media, atheism is usually portrayed as scientific and rational versus religion, which is seen as stuffy, outdated, and irrational.

Blending humor with serious thought, *The Atheist Who Didn't Exist* will help readers to think a little deeper about the popular claims of atheism. Whether the reader is a Christian who desires to be able to start a conversation with secular friends or simply an agnostic dissatisfied with some of the arguments that pass for serious thought, Andy Bannister shows that when it comes to the most important questions of life, we need to move beyond simplistic sound bites.
