Brayden Rider is a brave kid who lives in a small village in the heart of the medieval age. Though his father has disappeared, his life is busy, if a bit uneventful. One night, his village is attacked; someone is after him, though who or why he doesn't know. His mother sends him to the great castle, where he lives secure behind its walls as a page. There, he makes new friends and learns his father is none other than the treasure master of the Templar Knights, discovering there are secrets he possesses some will stop at nothing to find. Brayden sets out to discover the mystery of his father's disappearance, experiencing adventure (jousts and tournaments) while facing danger beneath the castle that threatens to destroy everything, and everyone, he has ever known.
