Children and Pet Loss: A Guide for Helping Marty Tousley

This guide is a practical tool for veterinarians, teachers, counselors, parents, grandparents and others who are in a position to help children cope with the loss of a pet. Topics include understanding children's attachment to their pets and the significance of their loss; understanding the child's concept of death; recognizing how children grieve; encouraging the child's successful grieving; knowing when and whether to suggest getting another pet; recognizing loss as a valuable lesson about life; and knowing which books are recommended for grieving children.
