Preparing for Eternity

Preparing for Eternity Mike Gendron

The book presents an objective contrast between the traditions of the Roman Catholic Church and the Word of God. It is an excellent discipleship manual for Roman Catholics who have not discovered the narrow road that leads to eternal life. The book prepares the reader for eternity by showing how the Lord Jesus Christ is sufficient to save sinners completely and forever. The author knows his subject well, having spent 37 years in the Catholic religion. He presents the truth in love with compassion for those who are where he once was, destined for a Christless-eternity and not even aware of it.
