She-Hulk Diaries, The (Digital Picture Book) Marta Acosta

JANUARY 1 CURRENT STATUS: No job, no boyfriend, no permanent place to live, no car, and most of my clothes are held together with staples and duct tape. Bank account almost wiped out. Many of my former associates have expressed a desire that I never darken their doorways again for legal and financial reasons. She-Hulk got us got us kicked out of the Avengers Mansion. People keep posting videos online of her New Year's Eve shenanigans: twirling flaming telephone poles in Times Square, climbing the Empire State Building while dangling Anderson Cooper, dancing wildly at parties, and commandeering a motorcycle cop's ride to do wheelies across the Brooklyn Bridge. Saying there are two sides to Jennifer Walters's personality is an understatement. When she hasn't morphed into a 650-pound, crime-fighting, hard-partying superhero, she's a single lawyer trying to get her act together. Hilarious and action-packed, The She-Hulk Diaries tells her story, as she juggles looking for Mr. Right and climbing the corporate ladder by day with battling villains and saving the world by night. Maybe she'll finally take on a case that will define her career. Maybe she won't meet one Mr. Right, but two, and she'll have to choose. Maybe bad guys will stop trying to destroy the planet so she can read her Perez Hilton in peace.
