Anthology of Spanish Song - High Voice (The Vocal Library Series) (English and Spanish Edition)

(Vocal Collection). There has been an urgent need for a large collection of art songs in Spanish for voice studios. Surprisingly, a comprehensive publication on this topic has never existed in the American market. This anthology of 50 songs by 15 composers is sure to become a voice studio staple. The selections include complete song cycles by De Falla, Granados and Obradors. Each song has a historical note about the composer and composition, and there are English translations for study.
