**Change of Heart** Laura Abbot

**Is she too smart to fall in love?**

It was a hard lesson, but Libby Cameron learned it...twelve years ago. Now her ex-husband has moved to town, but Libby's too smart to go down that road again. Doing the smart thing isn't easy, though, once she discovers that Trent is caring for a sweet and sad little girl all by himself.

Kylie Baker needs her, and Libby can't ignore that fact. Nor can she ignore the long-dormant feelings that Trent has awoken. But how can she forget their previous life together or the times he let her down? Has Trent really changed? Can the wrong man ever become the right one?
