Un montón de piedras (Spanish Edition)

Jorge Fabricio Hernández

Un montón de piedras (Spanish Edition) Jorge Fabricio Hernández

Del autor de *La emperatriz de Lavapiés* y *Réquiem para un Ángel*.

Antología de cuentos de Jorge F. Hernández.

El **escritor** intenta caminar, busca apoyarse en brazos de fantasmas, cree leer al mundo, vive y sueña de **libros...** y al desplomarse, vuelan las páginas que ha llenado de palabras como un reguero de piedras y piedritas. Habrá quien las deje esparcidas para que la amnesia convierta esas historias en polvo y hay de pronto el milagro de que alguien reúne esos **cuentos** para construir un pequeño castillo de imaginación y memoria. Puro cuento y cuentos puros, que fueron arena para volverse vidrio, ventana o espejo.

#Tengo la convicción de que el cuento es el género primario en la vida del lector, y quizá el género inicial para quien se descubre escritor#.

Lo que ha dicho la crítica:

*#Las 23 narraciones que integran el libro constituyen un modelo de agudeza verbal. Las 23 tienen, como eje, la impostura y hasta el lector más escéptico acabará sucumbiendo al buen humor que destilan#. -Gerardo Laveaga, *Excélsior*.*
