A Temporary Life: A Novel David Storey

An art teacher searches for meaning in a strange town as his wife spirals into madness in this stunning novel from Man Booker Prize-winning author David Storey

Colin Freestone had not planned to live in northern England. The people here are so passionate and raw that he does not expect to ever understand them or feel at ease. But when his wife, Yvonne, fell sick, she would only accept psychiatric care if she could be near her mother, so Colin had no choice but to move north. As Yvonne wastes away in the hospital, sinking deeper and deeper into a terrifying and incomprehensible madness, Colin tries to make sense of his strange surroundings. He may live here now, but he will never call it home.

To pass the time, he takes a job teaching art at a second-rate college that is headed by a nutrition-crazed dean. Colin makes friends, meets women, and plays tennis, but nothing can distract him from the fact that his wife is slowly dying and he is helpless to stop it.
