Jewels in the Net of the Gods

Lorell Frysh PhD.

Jewels in the Net of the Gods Lorell Frysh PhD.

From the Bushmen in Africa to high society in Egypt, from Morocco to the caves of ancient Jerusalem, Moghul India to Medieval France, we meet priests and priestesses, Swamis and monks, midwives and healers, medicine men and aristocrats as we discover the intriguing stories of two souls, and two intertwined destinies.

Kundun, a Tibetan Buddhist Monk, is traveling to meet a Druze Sheik in the hills of the Galilee in order to discuss their common interest in reincarnation.

Liora, a young Jewish woman on a dedicated spiritual quest, finds herself drawn into the ancient courtyard of a monastery in East Jerusalem where she spends her day awash with memories.....of this life, and surprisingly, her past lives.

By the time we have traveled with the two of them on a journey that transcends time and space, we have been taken on a wondrous adventure.

In the process we discover not only where their paths may lead, but the heartwarming wisdom of our own inner journey!

From reader reviews:

Belia Gillespie:

What do you concerning book? It is not important together with you? Or just adding material if you want something to explain what your own problem? How about your free time? Or are you busy man? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Every individual has many questions above. They have to answer that question because just their can do this. It said that about guide. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need this kind of Jewels in the Net of the Gods to read.

Janette Collins:

As people who live in typically the modest era should be update about what going on or details even knowledge to make these individuals keep up with the era which can be always change and progress. Some of you maybe will certainly update themselves by examining books. It is a good choice for yourself but the problems coming to an individual is you don't know which you should start with. This Jewels in the Net of the Gods is our recommendation so you keep up with the world. Why, because book serves what you want and need in this era.

Larry Parrish:

Is it an individual who having spare time then spend it whole day through watching television programs or just resting on the bed? Do you need something totally new? This Jewels in the Net of the Gods can be the solution, oh how comes? It's a book you know. You are consequently out of date, spending your spare time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?

Erin Weiss:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information originating from a book. Book is prepared or printed or outlined from each source which filled update of news. In this modern era like today, many ways to get information are available for anyone. From media social such as newspaper, magazines, science reserve, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just in search of the Jewels in the Net of the Gods when you necessary it?
