**Measure for measure** William Shakespeare

Of government the properties to unfold,  
Would seem in me to affect speech and discourse;  
Since I am put to know that your own science  
Exceeds, in that, the lists of all advice  
My strength can give you: then no more remains,  
But that to your sufficiency as your Worth is able,  
And let them work. The nature of our people,  
Our city's institutions, and the terms  
For common justice, you're as pregnant in  
As art and practise hath enriched any  
That we remember. There is our commission,  
From which we would not have you warp. Call hither,  
I say, bid come before us Angelo.

Exit an Attendant

What figure of us think you he will bear?  
For you must know, we have with special soul  
Elected him our absence to supply,  
Lent him our terror, dress'd him with our love,  
And given his deputation all the organs  
Of our own power: what think you of it?
