Snake Lake

Jeff Greenwald

Snake Lake Jeff Greenwald

In a circular valley beneath the looming peaks of the Himalaya lies Kathmandu, Nepal. It's a city of shimmering prayer flags, sacred cows, lavish festivals, and violent political turbulence—and a world that journalist Jeff Greenwald has come to call home.

Snake Lake unfolds during 1990's dramatic "people power" uprising against Nepal's long-entrenched monarchy. The story follows Greenwald as he wins the friendship of a high lama who reveals the pillars of Tibetan Buddhism; embarks on a passionate romance with a spunky but curiously unlucky news photographer; and discovers what democracy means to rural Nepali citizens—all while covering the revolution for a major American newspaper. Meanwhile, back in the U.S., Greenwald's brilliant but troubled younger brother descends into a deepening depression. The author is forced to choose between witnessing Nepal's long-overdue revolution and reconnecting with an alienated brother in desperate need of help.

Snake Lake is primarily a memoir (though the roles of several characters have been recast). Focused on the life-changing events that unfolded during one calamitous spring, the book weaves a vivid tapestry of Buddhism, revolution, and the often serpentine paths to personal liberation.

From reader reviews:

Tyrell Gutierrez:

What do you consider book? It is just for students since they are still students or the item for all people in the world, the actual best subject for that? Just simply you can be answered for that query above. Every person has various personality and hobby for each other. Don't to be forced someone or something that they don't desire do that. You must know how great and also important the book Snake Lake. All type of book would you see on many methods. You can look for the internet methods or other social media.

India Mead:

What do you about book? It is not important with you? Or just adding material when you need something to explain what you problem? How about your extra time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? Everybody has many questions above. The doctor has to answer that question because just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on kindergarten until university need this particular Snake Lake to read.

Charles Morris:

This book untitled Snake Lake to be one of several books this best seller in this year, that is because when you read this book you can get a lot of benefit in it. You will easily to buy that book in the book store or you can order it via online. The publisher on this book sells the e-book too. It makes you easier to read this book, since you can read this book in your Smart phone. So there is no reason to your account to past this reserve from your list.

Alex Tipton:

Snake Lake can be one of your nice books that are good idea. We recommend that straight away because this guide has good vocabulary that will increase your knowledge in vocabulary, easy to understand, bit entertaining but nevertheless delivering the information. The author giving his/her effort that will put every word into pleasure arrangement in writing Snake Lake but doesn't forget the main position, giving the reader the hottest and also based confirm resource data that maybe you can be one among it. This great information can easily drawn you into fresh stage of crucial pondering.
