A Good Man's Sin Dee Kelly

Have you ever heard that those who don't learn from their past will live to repeat it? This is a story about Jessie, a teen in search for Christian values, although he has little education of such virtues. His struggle to find those virtues is strained when in competition with human flaws. He confuses lust for love in a teen world lacking in moral supervision, and on a stage of a community driven on competition and the success of their own. The challenges he will face create a faith in him that will surpass the sin in his life, but it comes at a price with the many relationships he encounters. He will rise to the top of his throne in a football world against great odds, and will be crowned king of his land with the help of the girl already ordained by the town. In a violent world of sexual intrigue, he will find a lover obsessed with him, and a belief that her witchcraft could afford him the ultimate pleasures. He would be tested through faith in handling a self-proclaimed witch and a small kingdom, which makes him their hero, when all he ever wanted was what he couldn't have, the girl that seemed as much an angel as the other witch. His journey would start in the cold murky waters of the Cowhouse Creek, and he would have to learn from his past, or risk everything repeating it.
