Designed specifically for the non-math major who will be using calculus in business, economics, or life and social science courses, *Calculus: An Applied Approach*, 6/e, offers students added structure and guidance on how to study math. Special student-success-oriented sections include chapter-opening *Strategies for Success*; *What You Should Learn—and Why You Should Learn It*; *Section Objectives*; *Chapter Summaries* and *Study Strategies*; *Try Its*; *Study Tips*; and *Warm-Up* exercises. In addition the text presents *Algebra Tips* at point of use and *Algebra Review* at the end of each chapter.

Enhancing the already strong emphasis on practical applications, this text makes the course more relevant to students by including updated and increased coverage of technology at point of use and sample post-graduation exam questions.

- Eduspace is Houghton Mifflin's online learning tool. Powered by Blackboard, Eduspace is a customizable, powerful and interactive platform that provides instructors with text-specific online courses and content. The Larson/Edwards *Calculus* course features algorithmic exercises and test bank content in question pools.
