Criss Cross: PsyCop, Book 2

Jordan Castillo Price

Criss Cross: PsyCop, Book 2 Jordan Castillo Price

Criss Cross finds the ghosts surrounding Victor getting awfully pushy. The medications that Victor usually takes to control his abilities are threatening to destroy his liver, and his new meds aren't any more effective than sugar pills.

Vic is also adjusting to a new PsyCop partner, a mild-mannered guy named Roger with all the personality of white bread. At least he's willing to spring for the Starbucks.

Jacob's ex-boyfriend, Crash, is an empathic healer who might be able to help Victor pull his powers into balance, but he seems more interested in getting into Victor's pants than in providing any actual assistance.
