More for Women Only!

What's going on in a man's mind? You don't have to scratch your head any longer. After Shaunti Feldhahn's *For Women Only: What You Need to Know About the Inner Lives of Men* broached the subject, women everywhere responded with an overwhelming desire to dig deeper. Now this all-new discussion guide will help you and your friends explore the complex terrain beneath a man's confident exterior. Personal stories, fascinating case studies, and pointed questions will launch the conversations you need to open your eyes to what the man in your life—a boyfriend, brother, husband, or son—is really thinking and feeling. Men want to be understood, but they're afraid to “freak out” the women they love by confessing what is happening inside their heads. For women who really do want to understand, this group or one-on-one discussion guide is a must for helping you apply all those “ah ha” revelations to your relationships with the men in your life!

This newly expanded study guide will help you answer that question. Discussion questions, personal stories, and situational case studies will equip you to apply truths from the book to the relationships in your life. Additional content includes:

- Feedback from *For Women Only* readers
- Space to pen your thoughts after each chapter
- Quotes to remember
- Tips for starting your own discussion group

Ideal for book clubs, small groups, or one-on-one dialogue with the man in your life, this is an invaluable resource and companion to the acclaimed book.

Story Behind the Book

About five minutes after *For Women Only* hit the shelves, women started talking about it in small groups, book clubs, and coffee houses—and with their men. And about five days after that, Shaunti started getting e-mails saying, “We could really use something to help us work through these subjects.” *For Women Only* has opened the eyes of women to things they never understood about men before. Now, the *For Women Only Discussion Guide* will help them talk through and apply those truths to their lives.
