Hollywood Vampire: The Apocalypse - An Unofficial and Unauthorised Guide to the Final Season of Angel Keith Topping

Leaving behind his life in Sunnydale and his relationship with Buffy Summers, Angel atones for his sins by fighting for humanity in the dark seedy underworld of the superficially glamorous city of L.A. Angel Investigations has moved from the Hyperion Hotel to running Wolfram & Hart, but has their conviction to be champions survived the upheaval?

In his comprehensive unofficial guide to Season Five of Angel's world, Keith Topping, bestselling author of Slayer, the unofficial guide to Buffy, looks at each episode in turn, considering the links and cross-references between Angel and Buffy, draws attention to logic flaws, points out numerous pop-culture references and discusses recurrent themes and coverage of Angel on the Internet.

This essential guide to the final season of the popular show explores the world of Angel, Wesley, Gunn, Fred, Lorne and Spike as they fight their own personal demons and the loneliness of the Big City in their search for redemption.
