Lament for America: Decline of the Superpower, Plan for Renewal Earl H. Fry

Lament for America explores the major challenges to the status of the United States as a world superpower. In delving into the fundamental question of whether or not a relative decline is inevitable, the author recognizes that the changes faced over the next few decades will be more rapid and transformational than at any other period in American history. *Lament for America* offers concrete recommendations for renewal in areas such as defense policy, health care, education, and the environment, and serves as a useful guide to understanding how decisions will shape both the U.S. and global landscapes.
