Civil War Heroines Series (2 Book Series) Mary Ellis

From Book 1: Bestselling author Mary Ellis presents *The Quaker and the Rebel*, Book 1 of her brand-new Civil War historical romance series, which tells the stories of brave women in times of testing and the men who love them. Emily Harrison's life has been turned upside down. At the beginning of the Civil War, she bravely attempted to continue her parents' work as conductors in the Underground Railroad until their Ohio farm was sold in foreclosure. Now alone, she accepts a position as a governess with a doctor's family in slave-holding Virginia. Perhaps she can continue her rescue efforts from there. Alexander Hunt is the doctor's handsome nephew. While he does not deny a growing attraction to his uncle's newest employee, he cannot take time to pursue Emily. Alex is not at all what he seems—rich, spoiled, and indolent. He is the elusive Gray Wraith, a Quaker leader of Rebel partisans. A man of the shadows, he carries no firearm and wholeheartedly believes in Emily's antislavery convictions. The path before Alex and Emily is complicated and sometimes life threatening. The war brings betrayal, entrapment, and danger to both of them. Amid their growing feelings for each other, can they find faith in God amid the challenges they face and trust in the possibility for a bright future together?
