#### **Phillip Herzog:**

Many people spending their time period by playing outside using friends, fun activity together with family or just watching TV all day every day. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you think reading a book can definitely hard because you have to bring the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Touch screen phone. Like Cystic Fibrosis: Symposium which is having the e-book version. So , why not try out this book? Let's notice.

#### **Ronnie Johnson:**

As a university student exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Cystic Fibrosis: Symposium can make you experience more interested to read.
