*The best place to hide is in a lie...*

I could never fit in to the life my parents demanded. By the time I was thirteen, it was too much. I ran away to New York City...and found a nightmare that lasted three years. A nightmare that began and ended with a pimp named Luis. Now I am Dirty Anna. Broken, like everything inside me has gone bad.

Except that for the first time, I have a chance to start over. Not just with my parents but at school. Still, the rumors follow me everywhere. Down the hall. In classes. And the only hope I can see is in the wide, brightly lit smile of Jackson, the boy next door. So I lie to him. I lie to protect him from my past. I lie so that I don't have to be The Girl Who Went Bad.

The only problem is that someone in my school knows about New York.

Someone knows who I really am.

And it's just a matter of time before the real Anna is exposed...
