Workshop Andrew Clements

The dazzling cut-paper artistry of Caldecott medalist David Wisniewski combines with Andrew Clements's free-verse celebration of woodworking tools to tell the story of a surprise in the making. The evocative description of each workshop tool-ruler, axe, saw, hammer, and the rest-is accompanied by a vivid, dramatically composed illustration showing how it is used in the step-by-step construction of an ornate, old-fashioned carousel. An eager young apprentice assists one craftsman after another as the project takes shape and is rewarded with a toolbox of his won. Young wood-working enthusiasts will enjoy the affectionate and knowledgeable portraits of familiar tools as well as an acclaimed artist's vision of the magic simple tools can do.
