## **The Ice Garden** Moira Crone

Ten-year-old Claire adores her brand-new baby sister, but her mother doesn't feel the same. Trapped in the suffocating culture of the small-town South in the early 1960s, Claire's mother tries to cope with her own mental illness and all the expectations placed upon a woman of her class. While Claire's father remains too dazzled by his beautiful wife to recognize the impending dangers, Claire is left largely on her own to save herself and her baby sister--with mesmerizing and shocking consequences.
