Even worse, Bernetta's parents don't believe she's innocent, and forbid her from performing at her father's magic club. Now Bernetta must take immediate action if she hopes to raise \$9,000 for tuition. But that's a near impossible task with only three months until school. Enter Gabe, a boy con-artist who's willing to team up with Bernetta to raise the money. But only if she's willing to use her talent for magic to scheme her way to success.
