Touched by God: Testimonies of Christian Power Charles Muller

The contributors to this little volume are or were remarkable people whom the Lord had touched in one way or another, manifesting His divine love and miraculous power. It was the editor's own unexpected experience of the Lord's power and presence that, in 1984, changed his life and caused him to forsake his academic career in South Africa and move to the United Kingdom where he could obey his mission to write. It was also that remarkable experience of His power that made him seek out others whom the Lord had touched while he was still living in South Africa. This little book is the result of that quest.
