Un'economia più umana (Italian Edition)

Gabriele Sannino

Un'economia più umana (Italian Edition) Gabriele Sannino

Il saggio rappresenta un piccolo breviario che può essere davvero utile in una crisi economica infinita come quella attuale, crisi che in realtà è anche psicologica, etica, morale e, perché no, umana. Si perché la crisi che viviamo – insieme a tutte quelle che l’hanno preceduta – è frutto della gestione privata e sconsiderata del denaro, dei trucchi della finanza, insomma dell’avidità di pochi che si istituzionalizza e divora le vite di molti, troppi oggi. L’economia, dunque, non è altro che psicologia collettiva percepita. Ancora una volta, se vogliamo cambiare sul serio la realtà intorno a noi dobbiamo cambiare prima ciò che abbiamo dentro. Ecco perché all’economia deve essere applicata non solo l’etica ma finanche la spiritualità: un mondo più felice è davvero possibile, basta cambiare una volta e per tutte il nostro modo di pensare individuale e alla fine collettivo.
