Here's a little secret that those of the female persuasion keep from us guys: Women, even very beautiful women, like to be approached by a confident and interesting man. Are you surprised? It's true...and confident and interesting are much more important than looks to ladies of all ages, too. That's true for internet dating, as well as, dating in your brick and mortar world but we're talking about internet dating here...so back to the subject at hand.

Once you have joined an online dating service, you will find that there a lot more men than women and that the men are much more likely to browse profiles and make initial contacts than women. Yes, it's a woman's world...still. It's "traditional" for men to make the first move. It always has been and it always will be. Some things never change. That's why your profile and picture are so important.
