The Essential Mickey Rooney

James L. Neibaur

The Essential Mickey Rooney James L. Neibaur

Mickey Rooney is a cinematic icon whose career lasted from the silent era into the twenty-first century. From the shorts he made as Mickey McGuire to supporting roles in such films as *Night at the Museum*, Rooney had more than 300 film appearances to his credit. Mickey Rooney was not just a movie star, he was the most popular film performer for several years in a row in the 1930s. In addition to his four Academy Award nominations, Rooney received two special Oscars, including an honorary award for his variety of memorable performances spanning several decades.

In *The Essential Mickey Rooney*, James L. Neibaur examines more than sixty feature films in which the actor appeared, from starring roles in *Boys Town*, *Babes in Arms*, and *The Human Comedy* to acclaimed supporting performances in *The Bold and the Brave* and *The Black Stallion*. In addition to familiar works like the Andy Hardy comedies or musicals opposite Judy Garland, lesser known films like *Quicksand* and *Drive a Crooked Road* are discussed as examples of the masterful performances he offered again and again.

An actor of rare talent and unrestrained exuberance, Rooney appeared so often on film that it probably is impossible to view every performance of his career—one that lasted longer than any other actor in Hollywood. While minor roles are not discussed here, all of his vintage works are, making *The Essential Mickey Rooney* an indispensable resource for anyone wanting to learn more about the best work of this film icon.
