Well Control for Completion and Workover Well Control School, Well Control School (Louisiana)
Designed as a text for those attending Minerals Management Service (MMS) certification classes. Similar to Practical Well Control, which is a text for drilling certification classes, this book covers the items required by MMS for certification. Addresses well-control training requirements of MMS 30 Code of Federal Regulations (CFR) Part 250, Subpart O for supervisors engaged in completion and workover activities in the Outer Continental Shelf of the United States.
