## **Becoming Right: How Campuses Shape Young Conservatives (Princeton Studies in Cultural Sociology)** Amy J. Binder, Kate Wood

Conservative pundits allege that the pervasive liberalism of America's colleges and universities has detrimental effects on undergraduates, most particularly right-leaning ones. Yet not enough attention has actually been paid to young conservatives to test these claims—until now. In *Becoming Right*, Amy Binder and Kate Wood carefully explore who conservative students are, and how their beliefs and political activism relate to their university experiences.

Rich in interviews and insight, *Becoming Right* illustrates that the diverse conservative movement evolving among today's college students holds important implications for the direction of American politics.
