## **Beyond Good and Evil** Friedrich Nietzsche

Beautifully designed and carefully proofed, this edition includes: • 14 unique illustrations which are relevant to its content; • Detailed biography of Friedrich Nietzsche. *Beyond Good and Evil* (German: *Jenseits von Gut und Böse*) is a book by philosopher Friedrich Nietzsche, first published in 1886. It draws on and expands the ideas of his previous work, *Thus Spoke Zarathustra*, but with a more critical and polemical approach. In *Beyond Good and Evil*, Nietzsche accuses past philosophers of lacking critical sense and blindly accepting dogmatic premises in their consideration of morality. The work moves into the realm “beyond good and evil” in the sense of leaving behind the traditional morality which Nietzsche subjects to a destructive critique in favour of what he regards as an affirmative approach that fearlessly confronts the perspectival nature of knowledge and the perilous condition of the modern individual.
