Images of Justice (McGill-Queen's Native and Northern Series) Dorothy Harley Eber

Images of Justice resonates with voices of the North and comes alive through interviews with many of those involved in the cases - defendants, judges, and prosecutors. Eber also provides valuable information on the little-known carvers who created these remarkable works of art. At a time when alternative legal systems for Native peoples are being debated, Images of Justice provides a lively, accessible account of the northern courts, their evolution, and their future in a changing northern society.
