Lust of the Vikings Virginia Wade

Confronted by an invasion of fearsome raiders from the north, two very different women must fight for their survival in this six part, erotic series. Lora Green, poor and downtrodden, has been labeled a witch and treated like an outcast her entire life. When she is taken, the lovely brunette fends for herself, yielding to the heathens who demand her complete surrender. She loses her heart in the process...but not to the man she thought would be her lord and master. Charlotte Abbot, the daughter of the wealthiest man in the village, is the epitome of everything a young lady ought to be. Fleeing from the invaders, she is plucked from the forest, along with her sister, Emma, and an entirely different world presents itself, filled with wine, candles, and a seduction so thorough, she will never be the same again. A man from the past emerges...a knight on a horse, come to rescue her. Who is he? This collection contains the six books of the "Lust of the Vikings" series by Virginia Wade.
