The Beast: Riding the Rails and Dodging Narcos on the Migrant Trail Oscar Martinez

One day a few years ago, 300 migrants were kidnapped between the remote desert towns of Altar, Mexico, and Sasabe, Arizona. A local priest got 120 released, many with broken ankles and other marks of abuse, but the rest vanished. Óscar Martínez, a young writer from El Salvador, was in Altar soon after the abduction, and his account of the migrant disappearances is only one of the harrowing stories he garnered from two years spent traveling up and down the migrant trail from Central America and across the US border. More than a quarter of a million Central Americans make this increasingly dangerous journey each year, and each year as many as 20,000 of them are kidnapped.

Martínez writes in powerful, unforgettable prose about clinging to the tops of freight trains; finding respite, work and hardship in shelters and brothels; and riding shotgun with the border patrol. Illustrated with stunning full-color photographs, *The Beast* is the first book to shed light on the harsh new reality of the migrant trail in the age of the *narcotraficantes*.

From reader reviews:

Horace Godbolt:

In this 21st century, people become competitive in each and every way. By being competitive today, people have to do something to survive, being in the middle of the crowded place and notice simply by surrounding. One thing that at times many people have underestimated the idea for a while is reading. Sure, by reading a book your ability to survive enhances then having a chance to stand than other is high. To suit your needs who want to start reading a book, we give you this specific *The Beast: Riding the Rails and Dodging Narcos on the Migrant Trail* book as a starter and daily reading publication. Why, because this book is more than just a book.

Julian Loreda:

Reading a publication can be one of a lot of activity that everyone in the world loves. Do you like reading books so. There are a lot of reasons why people like it. First reading a book will give you a lot of new facts. When you read a book you will get new information due to the fact a book is one of several ways to share the information or perhaps their idea. Second, reading a book will make you actually more imaginative. When you look at a book especially a fiction book the author will bring one to imagine the story how the people do it anything. Third, you are able to share your knowledge to others. When you read this *The Beast: Riding the Rails and Dodging Narcos on the Migrant Trail*, it is possible to tell your family, friends as well as soon about yours reserve. Your knowledge can inspire average, make them read a publication.

Melanie Roberts:

Your reading sixth sense will not betray a person, why because this *The Beast: Riding the Rails and Dodging Narcos on the Migrant Trail* publication written by a well-known writer who knows well how to make a book which might be understood by anyone who else reads the book. Written throughout in good manner for you, dripping every idea and creating skill only to eliminate your own hunger then you still have uncertainty *The Beast: Riding the Rails and Dodging Narcos on the Migrant Trail* as a good book not only by the cover but also from the content. This is one e-book that can break don't judge a book by its handle, so do you still need yet another sixth sense to pick this!? Oh come on your reading sixth sense already alerted you so why you have to listen to an additional sixth sense.

Marie Forrest:

Do you like reading a book? Confused to looking for your selected book? Or your book has been rare? Why so many queries for the book? But virtually any people feel that they enjoy reading. Some people like examining, not only science books but also novels and *The Beast: Riding the Rails and Dodging Narcos on the Migrant Trail* as well as other sources were given know-how for you. After you know how great a book, you feel wish to read more and more. Science publications were created for teachers or maybe students especially. Those ebooks are helping them to bring their knowledge. In other cases, besides science guides, any

other book likes The Beast: Riding the Rails and Dodging Narcos on the Migrant Trail to make your spare time much more colorful. Many types of book like here.
