O My America!: A Novel Johanna Kaplan

A delightfully funny and moving novel about the singular life of a cantankerous Jewish-American writer and anarchist troublemaker, as remembered by his daughter

In 1972, sixty-four-year-old Ezra Slavin's heart gives out at an anti-war rally. A contentious and irascible Jewish-American writer, anarchist, and inadvertent guru to discontented youth, he leaves behind a large extended family of ex-wives, lovers, and children, most of whom had cut all ties with the infuriating intellectual provocateur years earlier. Out of the entire family, only one daughter, Merry, a journalist, can remember her father with her own critical, conflicted understanding, a saddened sympathy approaching love. As the day of his memorial approaches, she attempts to make sense of the puzzle of Ezra's life before all of its disparate, discordant elements come crashing together at the service.

The award-winning author of *Other People's Lives*, Johanna Kaplan creates a vivid cast of unforgettable characters who reveal the disparity between Ezra's long-suffering, neglected family, his admiring friends, and the youthful hangers-on—and, most notably, in the outrageously enigmatic Ezra himself. At once hilarious and poignant, *O My America!* offers a fascinating evocation of a time and place in America, a satiric history of the immigrant Jewish experience, and a wonderful portrait of an exasperating yet endearing anti-hero pursuing his unique vision of the American dream.

Many people spending their time period by playing outside with friends, fun activity along with family or just watching TV all day every day. You can have new activity to shell out your whole day by reading a book. Ugh, do you think reading a book can definitely hard because you have to use the book everywhere? It alright you can have the e-book, getting everywhere you want in your Smartphone. Like O My America!: A Novel which is having the e-book version. So , try out this book? Let's find.

Zandra Woods:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this O My America!: A Novel can make you experience more interested to read.
