## **Reiki & Espiritualidade (Portuguese Edition) Moacir Sader**

Quando o autor e mestre de Reiki ? Moacir Sader ? iniciou os seus cursos de Reiki em 2009, ele não tinha a noção do que aconteceria e do que viveria: todas as maravilhas passadas perante os seus olhos. Experiências intrigantes vêm acontecendo com os seus alunos desde a primeira sintonização e são repetidas em cada nova turma. Muitas delas estão inseridas neste livro “Reiki e Espiritualidade” e outras já haviam sido disponibilizadas no livro “O Poder do Reiki” (2012). O autor tinha a convicção de que os cursos seriam positivos para todos os alunos e, também, para o Planeta, pela considerável ajuda na elevação do nível vibracional. Mas, além disso, ele e os seus alunos passaram a manter uma conexão espiritual incomum, um canal de comunicação entre as esferas dimensionais elevadas e as pessoas terrenas. Neste livro “Reiki e Espiritualidade”, o autor inseriu um pouco dessa imensidão espiritual que chega constantemente através das iniciações de seus alunos, no sentido de compartilhar com todos, porque, ele sabe, essas mensagens espirituais visam à melhoria das pessoas (reikianas ou não) e à evolução da Terra e urgente se apresenta o seu compartilhamento. No livro “Reiki e Espiritualidade”, além das mensagens espirituais referenciadas, você poderá ler ainda sobre: Depoimentos com narrativas de sucesso com o Reiki; Experiências extrassensoriais ocorridas durante as iniciações; Ligação do Reiki com as esferas dimensionais elevadas; Interação do Reiki com seres iluminados (Jesus, Mãe Maria e outros); Importância do Reiki; De onde vem a energia reikiana; Envio de Reiki por pensamento e através do olhar; Reiki para relacionamentos; Níveis, Símbolos e História do Reiki; e muito mais... O livro “Reiki e Espiritualidade” é um livro com temas inéditos e surpreendentes, escrito para reikianos aprofundarem seus conhecimentos e conhecerem a real ligação espiritual do Reiki e para não reikianos serem apresentados a esta fantástica terapia alternativa e holística que vem crescendo em todo o Planeta.
