Southern Bounty: How to Grow and Enjoy Southeastern Native Fruits and Nuts Trey Watson

This is the best written book on cultivating native species that I have ever had the pleasure to read... - Amazon customer review

Southern Bounty explores the diverse native fruit and nut-bearing plants that grow wild in the southeastern United States. It is a handbook for gardeners who want to cultivate these plants for food and beauty and for those who want to preserve these plants for future generations. Included in this book about native plants:

Black Walnuts

Serviceberry

Mayhaw

Pawpaw

Wild Plum

Plus many more.

Each chapter includes historical information on the specific plant covered by the chapter, along with growing, harvesting, propagation, and harvest preservation information. The southeastern United States is full of wild, native fruits and nuts that have provided generations of native peoples and settlers with sustenance and flavor. *Southern Bounty* explores the beauty and wonder of these native plants.
