# The Grail, Arthur and His Knights: A Jungian Symbolic Reading

M. Z. Alvarenga

## **The Grail, Arthur and His Knights: A Jungian Symbolic Reading** M. Z. Alvarenga

This book presents a broad and deep symbolic reading of the characters involved in the mythical Holy Grail. The author makes several correlations between symbolic readings of the text and the subjective nature of the mythic psyche and personality development today. *The Grail, Arthur and His Knights* is a mythical-symbolic reading and Jungian analysis of the Grail, with its various forms, origins and manifestations. It is also about Arthur and his loyal and faithful knights of the Round Table and its dangerous chair. The Great Wounded Goddess, the Wasted Land, the Old Wise Merlin and his visions of the future are also re-examined. The book describes the archetypal themes of search, freedom, and the dreaming return of Golden Age. The symbolic reading of these themes according to the Analytical Psychology reveals a wealth of ancient wisdom, transforming the myth, in itself deeply fascinating, into a powerful metaphor for how the search of the individuation process works.
