Dear Asshole Reading the Book Summary,

Ever wish you could leave a note on the windshield of the obsessive-lane-changing asshole or the asshole with the Duct-taped-on fender? Assholes on the road come in all shapes and sizes, such as the ugly asshole in the Italian sports car, the proud asshole parent of an honor student, the asshole not paying attention to the road, or even the asshole looking at an actual paper map. For all of these assholes and more, this book is there for you to vent your frustrations, lodge your complaints, and leave tear-out notes for every road-legal offender you will undoubtedly encounter on the road. You're welcome.

Sincerely,

The folks at You Drive Like an Asshole

P.S. Stop dawdling and just buy the book already, asshole.
