Breaking the Bank Yona Zeldis McDonough

A fresh and whimsical novel featuring a single mother in Brooklyn who suddenly discovers an ATM machine that gives her free (and unrecorded) cash; what she does with that money changes many lives—including her own.

Mia Saul is down on her luck. She's been dumped by her husband, fired from her job, and forced to move with her ten-year-old daughter Eden to a crummy apartment. Juggling temp jobs, arguing over child support, and trying to keep Eden's increasingly erratic behavior in check leaves Mia weary and worn out. So when a routine stop at an ATM turns into a stroke of luck Mia never expected, the results are nothing short of...magical.

Teetering between guilt and generosity, Mia takes advantage of her sudden windfall in small ways. She also develops relationships with a variety of neighborhood characters she ordinarily would never have crossed paths with—and turns her life around in ways she never thought possible.

Poignant, smart, and utterly captivating, this quirky "pay-it-forward" tale captures the everyday concerns of women everywhere.

From reader reviews:

Pedro Engle:

Book will be written, printed, or created for everything. You can know everything you want by a guide. Book has a different type. As we know that book is important matter to bring us around the world. Next to that you can your reading expertise was fluently. A book Breaking the Bank will make you to become smarter. You can feel considerably more confidence if you can know about every little thing. But some of you think this open or reading a new book make you bored. It's not make you fun. Why they could be thought like that? Have you trying to find best book or appropriate book with you?

Henry Carlino:

What do you regarding book? It is not important along with you? Or just adding material if you want something to explain what the one you have problem? How about your time? Or are you busy individual? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every individual has many questions above. They need to answer that question due to the fact just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need this specific Breaking the Bank to read.

Lindsay Washington:

Reading can called imagination hangout, why? Because if you find yourself reading a book particularly book entitled Breaking the Bank your head will drift away trough every dimension, wandering in most aspect that maybe unfamiliar for but surely will become your mind friends. Imaging each and every word written in a e-book then become one application form conclusion and explanation this maybe you never get ahead of. The Breaking the Bank giving you yet another experience more than blown away your head but also giving you useful info for your better life in this era. So now let us teach you the relaxing pattern is your body and mind will probably be pleased when you are finished looking at it, like winning an activity. Do you want to try this extraordinary wasting spare time activity?

Marvin Ober:

Breaking the Bank can be one of your beginning books that are good idea. We all recommend that straight away because this book has good vocabulary that can increase your knowledge in terminology, easy to understand, bit entertaining but delivering the information. The writer giving his/her effort that will put every word into pleasure arrangement in writing Breaking the Bank but doesn't forget the main place, giving the reader the hottest and also based confirm resource info that maybe you can be certainly one of it. This great information can easily drawn you into fresh stage of crucial thinking.
