False Facts and True Rumors: Lashon HaRa in Contemporary Culture Daniel Z. Feldman

In *False Facts and True Rumors*, Rabbi Daniel Feldman undertakes the vital task of examining the halakhic sources regarding lashon hara, derogatory speech, and applying them to today's technology-driven world. Combining erudite knowledge of rabbinic texts, philosophy, and psychology, Rabbi Feldman explores this uncharted territory of contemporary Jewish life. Among the questions addressed are: How can it be prohibited to convey facts that are true? How can the innocent be protected and society improved in the context of these laws? How do these laws affect areas such as dating and marriage, therapy, business interactions, and comedic performances? How are modern conceptions of privacy and confidentiality impacted? How has the culture of journalism, the Internet, and political campaigning affected, and been affected by, these laws? *False Facts and True Rumors* offers an essential guide for communicating in today's fast-paced world, where important information and petty gossip alike are exchanged instantaneously.
