From Sea to Sea (Volume II) Rudyard Kipling

Volume II of a two volume set. I do not have volume I. I have not read the volumes myself but it appears to be autobiographical in describing his travels. The book THE NEW YORK PUBLIC LIBRARY LITERATURE COMPANION notes that his most productive years were from 1890-1902. During this period he also lived 4 years in Vermont and apparently traveled to other areas of the US. He was born and raised in Bombay until age 6. He went back later as an adult and worked as a journalist thus books such as THE JUNGLE BOOK. This book also has references to India.
