Inside Culture: Re-imagining the Method of Cultural Studies

Nick Couldry

Inside Culture: Re-imagining the Method of Cultural Studies Nick Couldry

Inside Culture offers a fresh and stimulating reassessment of the direction of cultural studies. Nick Couldry argues without apology for cultural studies as a discipline centred around the interrelations of culture and power, with a clear focus on accountable empirical research that deals with the real complexities of contemporary lives - 'inside' culture.

Chapters discuss the broad conceptual issues around 'cultures', 'texts', 'the self', and the individual. There are detailed discussions of a range of cultural studies authors which demystify the elaborate language of contemporary cultural studies, with suggestions for further thinking at the end of chapters.
