Medicina del dolor: Perspectiva internacional (Spanish Edition)

Juan Carlos Flores

Medicina del dolor: Perspectiva internacional (Spanish Edition) Juan Carlos Flores

La presente obra ha sido concebida para convertirse en un referente internacional en medicina del dolor en lengua española. A lo largo de 10 secciones y dos apéndices se cubren aspectos globales y bases científicas, diagnóstico y farmacología, procedimientos intervencionistas, síndromes de dolor refractario, dolor craneofacial, dolor en niños y dolor oncológico; el libro se cierra con una galería de imágenes de casos clínicos y un epílogo que constituye una propuesta de lo que la sociedad moderna puede y debe hacer para abordar el dolor como problema de salud, con todas las implicaciones sociosanitarias que entraña.

Medicina del dolor reúne a un amplio equipo internacional de 96 colaboradores, incluyendo a algunos de los principales expertos en la materia, dirigidos por el Dr. Juan Carlos Flores, destacado anestesiólogo y algólogo, director del Centro de Atención Integral del Dolor de Buenos Aires, (CAIDBA), distinguido con el premio a la Excelencia del World Institute of Pain (WIP).

From reader reviews:

Theodore May:

Information is provisions for folks to get better life, information nowadays can get by anyone with everywhere. The information can be a expertise or any news even a huge concern. What people must be consider when those information which is inside the former life are challenging to be find than now's taking seriously which one would work to believe or which one often the resource are convinced. If you obtain the unstable resource then you have it as your main information it will have huge disadvantage for you. All of those possibilities will not happen within you if you take Medicina del dolor: Perspectiva internacional (Spanish Edition) as the daily resource information.

Maurice Lamothe:

The reason? Because this Medicina del dolor: Perspectiva internacional (Spanish Edition) is an unordinary book that the inside of the book waiting for you to snap this but latter it will distress you with the secret the idea inside. Reading this book beside it was fantastic author who else write the book in such wonderful way makes the content inside of easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of benefits than the other book have such as help improving your talent and your critical thinking approach. So , still want to delay having that book? If I had been you I will go to the book store hurriedly.

Julia Barr:

With this era which is the greater man or who has ability to do something more are more treasured than other. Do you want to become considered one of it? It is just simple method to have that. What you are related is just spending your time almost no but quite enough to possess a look at some books. One of many books in the top listing in your reading list is usually Medicina del dolor: Perspectiva internacional (Spanish Edition). This book which can be qualified as The Hungry Hills can get you closer in becoming precious person. By looking right up and review this publication you can get many advantages.

Mark Authement:

That reserve can make you to feel relax. This particular book Medicina del dolor: Perspectiva internacional (Spanish Edition) was vibrant and of course has pictures on the website. As we know that book Medicina del dolor: Perspectiva internacional (Spanish Edition) has many kinds or style. Start from kids until youngsters. For example Naruto or Private eye Conan you can read and think you are the character on there. Therefore , not at all of book usually are make you bored, any it offers you feel happy, fun and loosen up. Try to choose the best book to suit your needs and try to like reading this.
