Picture Me Dead Heather Graham

Ashley Montague is nearing the end of her police training--but nothing has prepared this rookie for the rite of passage that will take her on a deadly ride into the underbelly of Miami's drug world. It begins with the shocking discovery of a body on the highway and her glimpse of a mysterious hooded figure watching from the side of the road. Then Ashley's investigation into the incident reveals a surprising connection to another crime scene miles away.

In the heart of the Everglades, Detective Jake Dileccio stares at the mutilated body of a woman--the killing identical to those carried out by a cult leader he put behind bars five years ago. Is this a copycat killing or is the wrong man doing time? The last thing Ashley and Jake want or need is the electric pull of desire as they are dragged deeper into a dangerous world of corruption and conspiracy. Now, with time running out and their lives on the line, they have everything to fight for...and everything to lose.

From reader reviews:

David Martin:

This Picture Me Dead book is simply not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is actually information inside this book incredible fresh, you will get details which is getting deeper anyone read a lot of information you will get. This particular Picture Me Dead without we understand teach the one who reading through it become critical in pondering and analyzing. Don't always be worry Picture Me Dead can bring whenever you are and not make your case space or bookshelves' turn into full because you can have it within your lovely laptop even cellphone. This Picture Me Dead having fine arrangement in word and also layout, so you will not really feel uninterested in reading.

Terry Kiser:

Nowadays reading books become more and more than want or need but also turn into a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that improve your knowledge and information. The details you get based on what kind of reserve you read, if you want get more knowledge just go with education and learning books but if you want experience happy read one together with theme for entertaining for instance comic or novel. The actual Picture Me Dead is kind of publication which is giving the reader capricious experience.

Philip Cooper:

Information is provisions for people to get better life, information presently can get by anyone from everywhere. The information can be a knowledge or any news even restricted. What people must be consider any time those information which is inside the former life are challenging be find than now is taking seriously which one works to believe or which one the actual resource are convinced. If you receive the unstable resource then you buy it as your main information there will be huge disadvantage for you. All of those possibilities will not happen inside you if you take Picture Me Dead as the daily resource information.

Gary Wilson:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book has been rare? Why so many problem for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes studying, not only science book but additionally novel and Picture Me Dead as well as others sources were given knowledge for you. After you know how the great a book, you feel want to read more and more. Science guide was created for teacher or maybe students especially. Those textbooks are helping them to increase their knowledge. In some other case, beside science e-book, any other book likes Picture Me Dead to make your spare time considerably more colorful. Many types of book like this one.
