School Improvement: What's In It For Schools? Alma Harris

This book aims to demystify the principles and practice of school improvement by demonstrating how successful classroom and school improvement occurs. It outlines the conditions, strategies and approaches that promote sustainable improvement and provides an overview of the main theoretical perspectives in this area.

This accessible text will be useful for practitioners working within schools and with schools, offering clear guidance for those keen to raise standards and improve achievement.

The *What's In It For Schools?* series aims to make educational policy issues relevant to practitioners. Each book in the series focuses on a major educational issue. The author sets the issue in context, looks at how it impacts on the daily lives of schools and teachers, and raises key questions. The books are grounded in sound theory, recent research evidence and best practice, and will make an excellent addition to any staffroom bookshelf.
