Ivo Dominguez Jr.

If you do magic, pray, or venerate your ancestors, you are working with spirits. If you seek information or guidance through channeling, through mediumship, or through the words and visions of mystics, you are also working with the beings of the subtle realms.

Spirit Speak presents a unified system for understanding a broad range of nonphysical beings that we call spirits. Dominguez is able to make complex ideas accessible, through analogy and example, without oversimplifying. This comprehensive book can be understood and appreciated by readers from all different faiths, backgrounds, and levels of experience. It explores concepts such as:

- * spiritual lineage
- * the assumption of god forms
- * divine embodiment
- * the limits and potential for many spiritual practices

A hidden classic in many spiritual communities for years, Spirit Speak is now available with new material and fresh insights.
