Theology and Ethics in Paul (The New Testament Library)

Victor Paul Furnish

Theology and Ethics in Paul (The New Testament Library) Victor Paul Furnish

First published in 1968--and out of print since the 1980s--Victor Paul Furnish's treatment of Paul's theology and ethics has long been regarded as the key scholarly statement and most useful textbook on Paul's thought. Now, *Theology and Ethics in Paul* is available once again as part of the Westminster John Knox Press New Testament Library. Featuring a new introduction from Richard Hays, this timeless volume is as relevant in this century as it was in the last.

The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament, as well as classic volumes of scholarship. The commentaries in this series provide fresh translations based on the best available ancient manuscripts, offer critical portrayals of the historical world in which the books were created, pay careful attention to their literary design, and present a theologically perceptive exposition of the text.
